WORK EXPERIENCE

Service Technician

Mountain West Security - Orem, UT

March 2019 to Present

I work in the service department of a small security company. We work on security systems, surveillance systems, access control and fire systems for both commercial and residential clients. I specialize in security systems and surveillance systems with some knowledge in access control. I also responsible for setting my own appointments with clients. After each job I am responsible for documenting everything that I did on that job as well as what I did to resolve the issue.
